PATENT

Mr. Klockseth was contacted by telephone and was verbally reluctant to sign the required formal papers. The necessary formal papers were forwarded to his last known business address on August 30, 1999, but were never returned.

The necessary formal papers were also forwarded to Bengt Jervmo on August 30, 1999 to his last known address and were also not returned.

Since the time of the invention, the research contracts have expired and both Bengt Jervmo and Oliver Klockseth have stopped working for Safety Equipment Australia. I have made several attempts to contact Bengt Jervmo and Oliver Klockseth and obtain the required signatures but have been unsuccessful.

Attached hereto as Exhibit A is documentation evidencing attempts to contact Bengt Jervmo and Oliver Klockseth including copies of letters that were prepared and mailed with the necessary formal papers on August 30, 1999.

Bengt Jervmo's last known address is 40 James Sea Drive, Greenpoint 2251 Australia.

Oliver Klockseth's last known business address in Unit 3, 3 Grosvenor Place, Brookvale, 2100 Australia.

Respectfully submitted,
